## ABOUT

---

An enthusiastic young engineer passionate about Front-End development and driven to give my innovative ideas to the world. With my logical thinking and leadership in new technologies, I strive to complete any technical task in web development with high-quality results .

## SKILLS

---

### Technical Skill's :

**Front-end Development:** HTML5, CSS3, JavaScript , React.Js .

**Programming Languages:** Familiar With C, C++ .

**Version Control:** Proficient in Git for managing versioning.

## EXPERIENCE

---

### FRONTEND DEVELOPER

IZEON INNOVATIVE PVT LTD - Intern

June 12/ 2023 - July12/2023

Chennai , TN

As a **Junior Front-end Developer intern**, I gained hands-on experience in web application development, focusing on front-end technologies such as HTML5, CSS3, JavaScript, and React.js. I acquired practical knowledge of web development best practices and modern frameworks, complemented by an understanding of company culture and the browser environment.

## PROJECTS

---

**Movie Booking Website :** Developed a movie ticket booking platform for a user-friendly web application, allowing users to book tickets for their preferred theaters seamlessly. This is a front-end project, a combination of HTML5, CSS3, JavaScript, and focusing on accessibility and web performance.

**E-Commerce Website.** Built a feature-rich e-commerce website for purchasing branded shoes, offering a seamless shopping experience. This website includes a fully responsive and visually engaging user interface, suitable for both mobile and desktop designers.

### Personal Portfolio :

saffinvargesh.netlify.app

Developed a personal portfolio website showcasing my skills, projects, and experience as a Front-end Developer. It demonstrates responsive design and interactive features, hosted on **Netlify.com** to help showcase my portfolio through Google

### Key Technologies for above projects:

HTML5, CSS3, JavaScript ,VS Code, Responsive Design , Versioning .
